Welcome to **HOMESPUN BLOUBERG**

Our wine list is a constant work in progress and will never be complete as we strive to always present you with the best selection of wines South Africa has to offer. Each bottle has been carefully selected from the various wine producing regions in our beautiful country, for your tasting pleasure.

Should you wish to taste any of our wines, please do not hesitate to inform a Senior Member of Staff, who will be more than delighted to assist you with your choice of wine. We also offer the option of aerating your choice of wine by the bottle or the glass, should you choose to do so.

We trust that with the selection that lies within these pages you will experience a wine adventure that will elevate your dining experience.
