A taste of 21

We are excited to announce that Cape Grace is celebrating it's 21st birthday in December. As this is such a special occasion, Bascule is commemorating the countdown with 3 new locally-infused cocktails. With delectable ingredients like rooibos, marmalade and citrus; we invite you to begin a sensory exploration with us.

21st Signature Cocktails

CAPE CLASSIQUE - *Méthode Cap Classique & Brandy* 100

Nothing signals a celebration quite like the 'pop' of a champagne cork, or in South Africa's case, a MCC cork! This classic cocktail variation consists of KWV 10 year old brandy and rooibos syrup topped with Méthode Cap Classique.

ROOIBOS WHISKY SOUR - *Whisky ** 75

Rooibos has become part of South Africa's way of life and is considered by many as our national beverage. Grown exclusively in the Western Cape's fynbos region, this unique South African plant is recognised across the world for its versatility and refreshing taste. This delicious cocktail variation consists of Three Ships bourbon cask whisky, fresh lime juice, rooibos syrup, cellulose and bitters.

AMBER MARTINI - *Gin* 90

Whilst orange marmalade has long been a favourite spread for bread and toast, you may be surprised to learn that it also makes an incredible cocktail ingredient. This 21st variation consists of Inverroche amber fynbos gin, orange marmalade, triple sec and fresh lime juice.

* Contains Celluzoon, a hypo allergenic, plant based substitute for egg white which gives a cocktail a creamy texture and foam crest / crown.
