Panarottis Menu

Our Quality Promise

We are passionate about cooking and we use only the finest ingredients. The Italian pizza flour we use to make the perfect pizza base is truly in a class of its own and has garnered some of the most prestigious awards across the world.

The natural purity of our pizza flour means it contains no artificial additives, ingredients or preservatives – just natural goodness that tastes as good as it is for your health.

And if you thought our pizzas were out of this world, wait until you taste our pastas!

We're proud to say that we use only 100% Durum wheat pasta, imported directly from Italy. This superior pasta has a host of health benefits such as a low Glycemic Index, no cholesterol in its dry form and is rich in iron and Vitamin B3.

Most importantly, it has that great Italian taste that everyone loves so much.

We hope you can taste the passion and superb quality each meal is prepared with.

Of all the quality ingredients we use in our pizzas and pastas, the one we love to use the most is *amore*. *Buon Appetito!*

Portion weights are raw weights. The visuals are for descriptive purposes and meals served could vary. All Panarottis restaurants are individually owned and operated, drawing on Spur Group's expertise. For franchise enquiries, please contact info@panarottis.com
